TONOPAH MAN DIGGING COAL NEAR ST. PAUL

E. M. Rieken, formerly interested in the development of the Bellehelon mine, and who constructed a mill plant that later resulted in litigation and the closing down of the property, claims to have found a commercial deposit of coal within 22 miles of St. Paul, Minnesota. Mineral rights to the land are vested in Mr. Rieken. The coal was discovered 16 years ago while digging a well, and it is said that about 35 feet of clay and seven or eight feet of shale cover the deposits. An analytical test shows that the product is of the highest grade, and on December 19 Mr. Rieken started the sinking of a shaft and will prosecute a campaign of development with a view to proving up the worth of the proposition.

GOLD IN CIRCULATION

Considerable gold is noted in circulation in Winnemucca's business channels during late days of the season peculiar to Christmas times, sufficing to bring from the hidden stocks of money the gold pieces that frugality put away several years ago, says the Silver State. One business man who made a deposit in the First National bank recently had a stack of gold pieces of respectable size along with his currency, to be credited to his account at the institution.

EAST INDIANS DECLARE FOR NON-VIOLENCE

(By Associated Press) AHMEDABAD, British India, Dec. 28.—At a full session of the Indian national congress today a resolution, proposed by Mahatma Gandhi, declaring for a continuation of the policy of non-violence in an effort to obtain independence from the British empire, was adopted with only a dozen dissenting votes. The resolution declares Gandhi to be the sole executive, with full powers, over the congress organization.

COAST BANKER WOULD RATHER RETURN THERE

(By Associated Press) SAN FRANCISCO, Cal., Dec. 29.—A telegram from Mont. Berg, alleged bank defaulter of Quincy, Plumas county, and Layton, Sierra county, saying he would waive extradition from Terrell, Texas, where he is being detained by the authorities, was received by the police today. The warrant for his extradition already has been honored by the governor of Texas, and is in the hands of the Plumas county sheriff, but is being held up by a Texas indictment charging attempted bribery.

MEETING OF COMMISSION NEXT MONTH

(By Associated Press) WASHINGTON, D. C., Dec. 29.—The first meeting of the Colorado river commission will be held in Washington the latter part of January. Hoover announced today.

MORATORIUM RESPONSIBLE FOR CLOSING

(By Associated Press) ROME, Italy, Dec. 29.—The Banca d'Italia closed its doors today following the government announcement of a modified moratorium permitting suspension of payments of obligations of certain corporations through a court decree. The bank, profiting by the announcement, suspended payments pending court proceedings.

RENO CHAMBER WRITES ABOUT FREIGHT RATE

The following letter received from the Reno Chamber of Commerce and signed by its traffic manager, E. H. Walker, is printed in its entirety in order that an impartial view of the Reno situation, with reference to the discrimination against the Nevada metropolis on a portion of the freight rate schedule, may be properly understood.

LIQUOR-LADEN BRITISH SHIP IS CAPTURED

(By Associated Press) BOSTON, Dec. 29.—The British schooner Golden West, with a cargo of alcohol and case liquor aboard, was seized by the coast guard cutter while at anchor outside this port. It was announced today. She was towed here by the cutter this morning and turned over to the customs officers. The latter said they had received word that a liquor-laden vessel, flying the union jack, had said to be owned by a former Boston bartender, was found here from Halifax.

LONDON PRESS SURE TREATY BE RATIFIED

(By Associated Press) LONDON, Dec. 29.—A majority of the English newspaper correspondents in Ireland see in growing volume sentiment for the peace treaty indication that ratification will go through easily soon after Dail Eireann reconvenes next Tuesday. Some predict a vote will be taken as early as Thursday, January 5.

TWO KILLED BY BANDITS IN ROBBERY

(By Associated Press) EMBEL RIVER, N. Y., Dec. 29.—Four bandits shot and killed the assistant cashier and a clerk of the First National bank here today and escaped in an automobile after rounding a railroad guard. The amount of the loot is not known.

HARD TIME DECIDING ON SUBMARINES

(By Associated Press) WASHINGTON, D. C., Dec. 29.—The direct issue as to whether future military warfare shall be conducted under civilized rules was raised by the American delegates, who opposed adoption of the Best resolutions, and won the support of Great Britain, but French, Japanese and Italian delegates urged reference of the matter to the commission experts.

DECLARE THAT BURCH SHOWN TO BE INSANE

(By Associated Press) LOS ANGELES, Cal., Dec. 29.—Just before noon adjournment today Arthur Burch, on trial for the murder of J. Belton Kennedy, grew first gloomy and then surly as the second attempt for the defense called him "somewhat flippant and self-centered," thus adding new terms to the first doctor's statement that he was "frivolous." Both said his conduct indicated insanity.

WILL LIMIT USE OF PLANE IN WAR TIME

(By Associated Press) WASHINGTON, D. C., Dec. 29.—Unlimited construction of aircraft, but a sharp delimitation of their use in wartime, is understood to be embodied in recommendations decided upon today by the subcommittee on aviation of the armament conference.

AUSTRIAN AD COPY ALSO PAYS BIG TAX

(By Associated Press) VIENNA, Dec. 29.—A tax on all forms of printed advertising has been decided upon by the municipality. In newspapers the minimum tax will be 10 per cent for situations wanted, up to 30 per cent for luxury articles and amusements.

CITY COUNCIL GOES ON RECORD FAVORING LIQUOR MANUFACTURE

(By Associated Press) CHICAGO, Dec. 29.—The annual report of the municipal courts of Chicago, submitted by the clerk of the court, showed that drunkenness increased here last year. The report showed 51,399 arraigned for intoxication in 1921 as against 32,305 in 1920. The report followed the action by the city council yesterday in declaring, 52 to 6, that prohibition had failed to prohibit and demanded that congress and the state legislatures authorize the manufacture, sale and distribution of "wholesome beers and light wines."

GREAT STRIDES IN OPERATIONS AT HORNSILVER

The Orlean mine at Hornsilver continues to keep in the limelight as a property that will unquestionably give a good account of itself from a production standpoint during the coming year. The development that has been performed since the mine was taken over by the Orlean Hornsilver Mining company has resulted in sensational disclosures, and the announcement made today that a full face of ore is showing in the northwest drift carrying average values of \$20 a ton, will be generally welcomed by all interested in the future of that district in particular, and southern Nevada in general. This ore is showing on the 700 level, and as ground is explored to the northwest (the size of the vein is widening, with a corresponding increase in value).

SILVER PICK IS STEADILY GOING AHEAD

The Silver Pick at Highland continues in ore at several places and material of shipping grade is being saved at a rate of 10 to 15 tons daily. No new work has been undertaken recently and the announcement a simply "status quo" with the ore, with excellent chances for maintaining the present output over a long period.
